

**HASIL PROJECT
AVELYA MASBACHTIANA**

Example of My Work Program

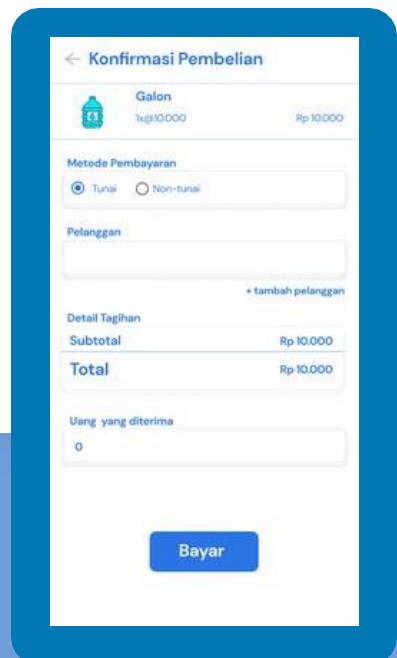

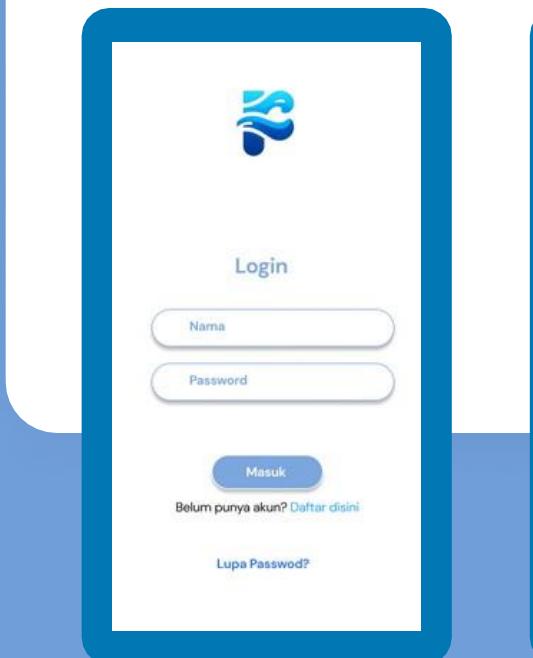

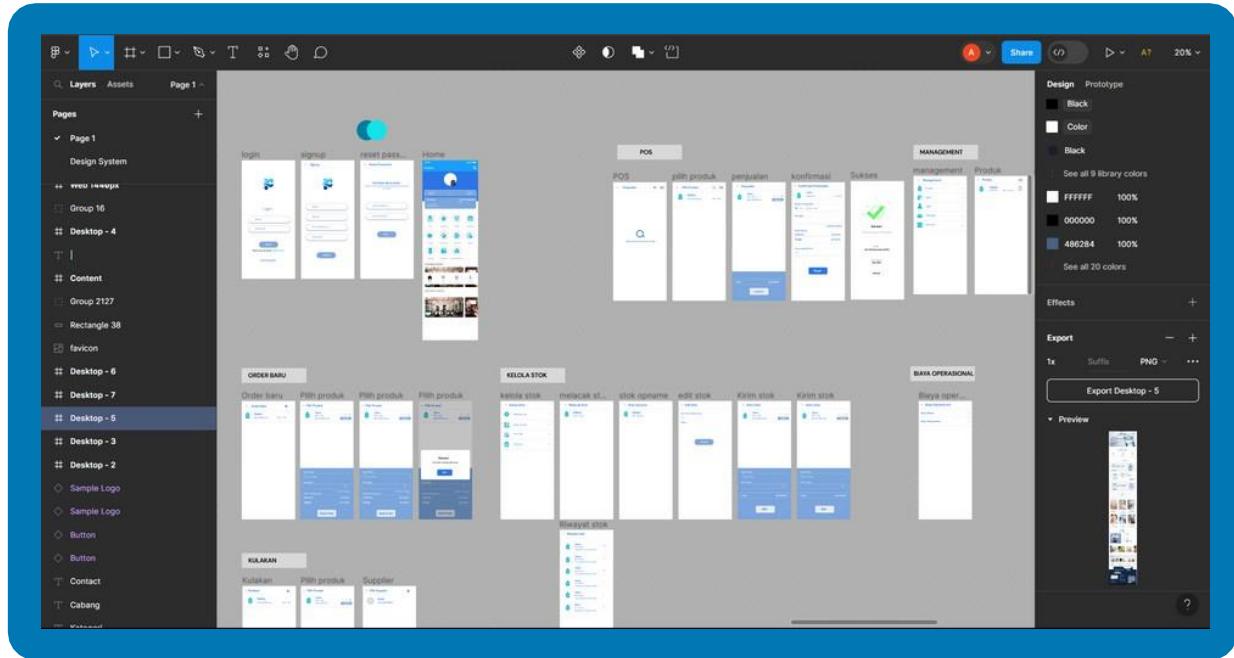

WEB DESIGN

Three separate mobile device screens displaying the 'Depo Air' website. The first screen shows the homepage with a large water glass image and ordering options. The second screen shows a 'Cabang' (Branch) page listing delivery locations with small images of people holding glasses. The third screen shows a dark-themed 'Blog & News' page with a blog post about ordering water easily at home.

FEEDS IG DESIGN

The screenshot shows a Figma workspace with a grid of 13 Instagram post designs. Each post is labeled with a project number (PROJEK 1 to PROJEK 13) and a file name (e.g., INSTA 1/1, INSTA 6/1, INSTA 11/1). The design interface includes a sidebar with pages, a color palette, and a style editor.
